cytiva

New Lab Start Up offer on life science and filtration products!

Buy more, save more! Promo code 664

Start your lab off right by doubling your buying power

For every qualifying product purchase, you will receive another product at no additional cost. Valid for all Cytiva consumables with the exception of chromatography resins and columns.

Choose from our trusted brands:

- Sera-Mag™ technology
- HyClone™ media
- Whatman™ filtration products
- Amersham™ systems

Accelerate your lab's impact with Cytiva. Explore our trusted portfolio supporting life sciences—from cell culture and sample prep to protein isolation and analysis.

Redemption instructions for money-saving offers

Visit fishersci.com/newlab or fishersci.ca/newlab.

Select *Log In & Redeem*. Use your NLSU PIN and email address to submit your redemptions.

Qualifying products include all Cytiva research grade core consumables with the exception of chromatography products. Custom products, Biacore™ consumables and instrumentation are not eligible for the discount. Other exclusions may apply. The NLSU offer is a one time purchase up to $10 000.

For full promotional terms and conditions, visit fishersci.com/newlab or fishersci.ca/newlab page and select Term and conditions.
