In today's challenging research environment, it's more important than ever to select a laboratory provider who understands the challenges that academic institutions like the University of Guelph face every day. The Fisher Scientific team is proud to continue our partnership of more than 25 years with the University of Guelph, providing the right combination of products, processes, people, and continuous savings to help you achieve your objectives and excel in your work.

Agreement Benefits

- **NEW increased maximum order limit of \$25,000**
- Next-day delivery for orders of stocked items placed before 2 p.m.
- Waived hazardous and shipping fees
- Easy online ordering, plus new products and promotions
- New Lab Start-Up Program
- **Over 25 years of strong partnership**

In support of your institution's goals, we strongly encourage you to think of the Fisher Scientific brand first when placing your orders for lab supplies.
